The Faculty of Arts and Sciences Steering Committee requests that readers of student course evaluations for AY 2020-21 keep in mind the extraordinary teaching conditions of this academic year, among them faculty and student adjustment to new pedagogies and technologies demanded by remote course delivery; disruptions to faculty routines for balancing research, teaching, and service; and disruptions to childcare, schooling, elder care, and other faculty obligations outside of their work at Yale.

Respondent	Answer
1492311	I think Daniel was helpful in that if we needed feedback, we could always ask him, but other than that, I didn't really interact with him much.
1493500	Strengths include a willingness to offer advice.
1495696	Critical and hands on, but a tough grader.
1503191	Great feedback.
1508104	Daniel was always open to meeting with me to discuss my ideas of the essays, as well as other things that did not directly relate to the course material, such as the ways in which I could improve the data I used and my analyses of them. He was clear in explaining the shortcomings of my analysis but was always encouraging about how to go about addressing them.
1511230	I really appreciated his effort to meet with me outside of class and give me advice on how to improve my writing
